The Registrant is in the process of compiling information for the year ending December 31, 2018 for the Form 20-F, all of which information has not yet been received.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As previously reported, the Registrant expects to report a loss attributable to shareholders of approximately NIS 730-760 million (approximately \$195-203 million) for the year ended December 31, 2018 compared with NIS 15 million in 2017. The loss in 2018 was mainly due to the one-time net impairment charges relating to DBS in the amount of NIS 1.5 billion (\$400 million) and a NIS 560 million (\$150 million) provision for costs associated with the early retirement of Bezeq Fixed-Line employees. In addition, B Communications had impairment charges of approximately NIS 610-660 million (\$160-180 million) with respect to its carrying value of Pelephone and Bezeq International.

As previously reported, the Israeli Securities Authority, or the ISA, investigated Bezeq - The Israel Telecommunication Corp. Ltd., or Bezeq, a subsidiary of B Communications Ltd., itself a subsidiary of the Registrant, and several of Bezeq's officers and directors with respect to certain alleged criminal offenses. The Registrant's auditors are expected to issue a "qualified opinion" on the Registrant's financial statements because of the inability to obtain sufficient supporting evidence as to the effect, if any, of the investigation proceedings on the consolidated financial statements and "going concern" emphasis of matter. Furthermore, the Registrant's auditors are expected to issue a "disclaimer of opinion" on the Registrant's internal controls over financial reporting, or ICFR, based on their inability to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the effectiveness of the Registrant's ICFR as a result of the investigation.
